# THE MAGICAL LAND

A JOURNEY WITH DR BARRE LANDO

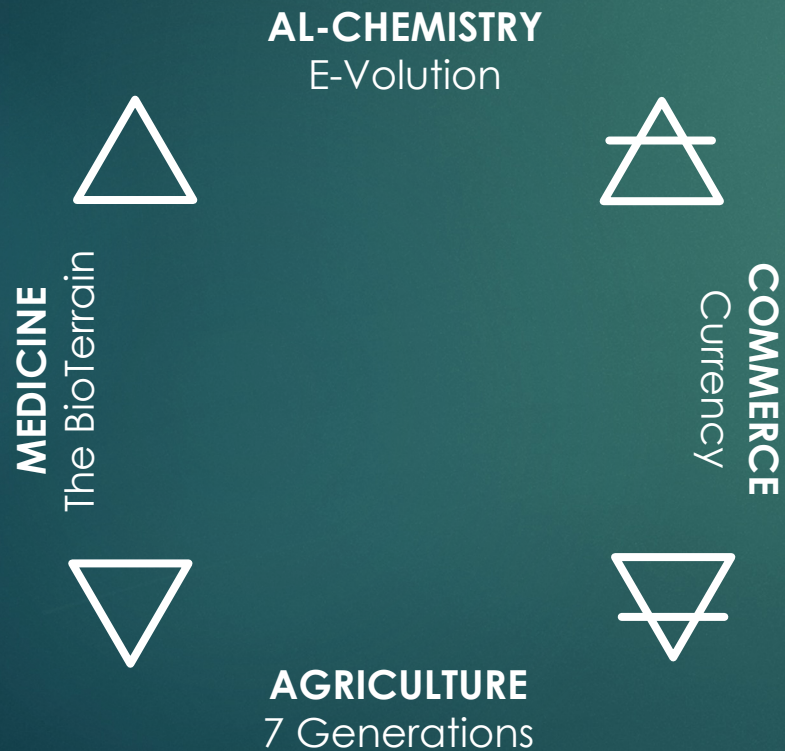

# THE BIOTERRAIN

## AN AGRARIAN RENNAISSANCE

“As Nature is extremely subtle and penetrating in her manifestations, she cannot be used without the Art. Indeed, she does not produce anything that is perfect in itself, but man must make it perfect, and this perfecting is called alchemy.” ~ Paracelsus

### HOLISTIC PERMACULTURE

# The Bioterrain

## The Electric Realm

3

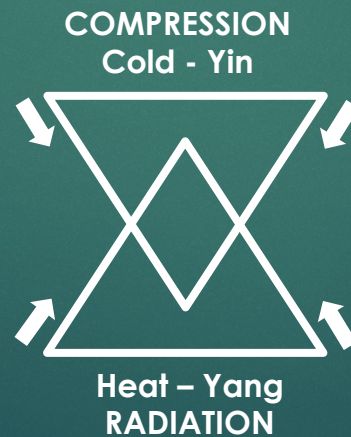

“One has to understand that the medicine must be prepared in the stars, and that the stars become the medicine.” ~ Paracelsus

**CONDUCTANCE:** 7 Rays + 12 Constellations: the expression & transmission of the qualities, characteristics & purpose of the Absolute in the manifestation, creation & evolution of Life.

- 3 Rays of Aspect + 4 Rays of Attribute: the Trinity of Will, Love & Active Intelligence
- 12 Constellations: Each Ray reaches us through three of the 12 Constellations, then through one of the 7 Sacred Planets.

**INDUCTANCE:** 4 Etheric Levels

- Fire/Hydrogen
- Air/Nitrogen
- Water/Oxygen
- Earth/Carbon

**CAPACITANCE:** 4 Kingdoms

- Mineral: Rays I & VII
- Plant: Rays II, IV & VI
- Animal: Rays III & VI
- Human: Rays I, IV & V

# The Bioterrain

Etheric Precipitation VOLATILE ELEMENTS: Fire / Hydrogen + Air / Nitrogen

HYROGEN

- ▶ Nitrogen is the Purest Form of Mineral Concentration.
- ▶ Hydrogen + Nitrogen = 1<sup>st</sup> Phase Conjugation

NITROGEN

FIXED ELEMENTS: Water / Oxygen + Earth / Carbon

- ▶ Fermentation
- ▶ Hydrogen + Oxygen + Nitrogen = Ammonia Compounds
- ▶ Ether Conveys Resonance = Geometry
- ▶ Inorganic Elements = Resonance Capacitors = Form & Function for all Terrestrial Life

OXYGEN

DERIVATION OF NUTRIENT ELEMENTS:

- ▶ Dietary: Provides 30% Cellular Nutrition = Net Energy Gain
- ▶ Atmospheric: Provides 70% Cellular Nutrition = Net Energy Gain

CARBON

BODY CHEMISTRY & SOIL ANALYSIS:

**Line of Least Resistance** = Biochemistry —→ Mathematical Ratios = Electrical Vectors

Line of Resistance:  $CS + 1.5 \frac{6.4}{6.4} 6-7C .04M \frac{3}{3} = PH$  —→ Ideal Regenerative Harmonics

## Applied Spagyrics

“The transmutation of Body (Salt), Soul (Sulfur) & Spirit (Mercury) are predicated upon a working knowledge of Universal Principles combined with Spagyric technologies.”

### APPLIED SPAGYRICS

- SEPARATE : Isolation of the Elements/Elementals:
  - 3 States of Matter – Spirit, Soul & Body
  - 3 Generative Qualities – Wet, Hot & Dry
  - 3 Constituent Principles – Mercury, Soul & Salt
- PURIFY: Laboratory, Soil Science & Bioterrain Medicine
- COHABATION: Re-Combining into an elevated Whole.

### CYCLIC TRANSMUTATIONAL FLUX

- MINERAL: A continuous progression through Tonal Fields within Octaves
- MICROBIAL: Life cycle stages dictated by ecological requirements ie. Pleomorphism
- PLANT & ANIMAL: Life Cycle, Seasonal & Functional Stages
- MANKIND: The Spiritual Expansion of the Soul

### HOLISTIC PERMACULTURE

- AGRICULTURE: Seven Generations Farming
- ALCHEMY LAB: Replication of Nature's Transmutational Processes for Soil Science, Medical Lab Assays & manufacturing Spagyric medicines.
- BIOTERRAIN MEDICINE: Nature DOES NOT Create Pathogens or Disease

# Holistic Permaculture

## Alfa Vedic Gardens

6

“A healthy populace & the advancement of society are Determined by the vitality of Soil.”

PERMACULTURE DESIGN: Seven Generational Farming

- Let the land reveal itself thru patient observation & listening.
- Create natural habitats thru terraforming & companion planting.

IONIZATION SOIL ANALYSIS: The Mathematics of plant growth & energy production to create an efficient “Line of Resistance” with minimal use of soil amendments.

VORTEX TEAS, VERMICULTURE & POLLINATORS :

- Structured Water & Abundant Soil Organisms.
- Soil level Composting Buckets & Pollinator habitats.
- Building “food forest” soil with Mycellium.

PLANTING & HARVESTING WITH THE CONSTELLATIONS: Species-specific Resonance revealed thru plant characteristics

QUALITATIVE TESTING: Planting placement, orientation & habitat design thru BioGeometry.

# Holistic Permaculture Alchemy Lab

7

“The Alchemist lab is an essential component of the Permaculture farm to further evolve the Agricultural Arts through the replication of the Creator’s Design.”

## THE SPAGYRIC PROCESS

- SEPARATE: Isolation of the constituent elements comprising botanical & mineral species.
  - Mercury/Spirit: Universal Life Force ie. Spirits.
  - Sulfur/Soul: The Essence of the species Oversoul ie. essential oil
  - Salt/Body: Mathematically proportioned cell salts that account for distinct form & function.
- PURIFY: Fermentation, Distillation, Sublimation, Circulation & Calcination
- COHABATION: Re-Combining into an elevated Whole.

## COMPLETING THE PERMACULTURE CIRCLE

- COMMERCE: Self-funding thru manufacturing of Agricultural yields.
- MEDICAMENTS: Full spectrum Mind, Body & Spirit alignment.
- KNOWLEDGE: Experiential understanding of Nature’s transmutational processes.

# Holistic Permaculture

## Healing Physiology thru Transmutation

8

“Disease & pathogens DO NOT exist within the Natural Order “

CONTINUITY THRU RESONANCE: Human Biology embodies every Ray quality of the the lower 3 Kingdoms within a 12 Phase Coherence Field ie. 12 Senses, 12 Meridian/Organ Systems, 12 Chakras & 12 Tissue Salts as extensions of the 12 Constellations.

### THE ASSESSMENT

- Toroidal Field Distortions
- Planes & Subplanes
- Regulation Centers (Chakras)
- 6 Stages of Disease
- 12 Meridians
- 7 Ray Analysis
- Cerebral Spinal Fluid
- Live Cell Microscopy
- Body Type, Doshas etc.
- Biological Ionization Analysis
- Symptoms as Biological Expression
- Orthopedic-Neurological Exam

### MODALITIES

- Lecher Antennae & BioGeometry
- Meridian Therapy
- Osteopathy
- Oxidative Therapies
- Sound, Color & Resonance Tx
- Drainage & Lifestyle
- Adjust “Line of Resistance”
- German New Medicine
- Spagyrics, Homeopathy & Isopathics
- PEMF
- Functional Movement
- Enneagram, Stress Profile

FOUNDATIONAL: Repolarize, Oxygenate, Balance Endobiont Cyclogenies, Drainage Protocols & 12 Cell Salts.

### THE RESET: BIOCOMPUTER PROCESSING

- Prioritization of Issues, Neurological Isolation & sequential resets with appropriate modality.
